# **BARACK OBAMA IN HIS OWN WORDS BY BARACK OBAMA PDF**

Since delivering his keynote speech at the 2004 Democratic National Convention, Barack Obama has been hailed as the clear savior of not only the Democratic party, but of the integrity of American politics. Despite the fact that he burst onto the national scene seemingly overnight, his name recognition has grown by leaps and bounds ever since.

Barack Obama in His Own Words, a book of quotes from the Illinois Senator, allows those who aren't as familiar with his politics to learn quickly where he stands on abortion, religion, AIDS, his critics, foreign policy, Iraq, the War on Terror, unemployment, gay marriage, and a host of other important issues facing America and the world.

Out of context quotes

By Michelle

This book is a collection of quotes taken from various speeches and comments made by Barack Obama. While it is informative in some ways, I hesitate to accept quotes that are taken from a larger text, interview, or speech simply because the context is missing. When a quote is taken out of a larger whole, sometimes the meaning can be misconstrued. If you are already strongly familiar with Obama, this book probably tells you things that you already know. If you are not, it is a good idea to read other books as well as transcripts of Obama's speeches so that you can form your own opinions as to how these comments should be taken. For

real insight into Barack Obama, I suggest that you read "Dreams From My Father."

36 of 42 people found the following review helpful.

Not the best source for Obama

By Michael St John

Barack Obama In His Own Words is interesting and would be useful as a research tool for anyone writing about Obama, but it is nowhere near as interesting as his own books, all of which are insightful and fascinating.

4 of 5 people found the following review helpful.

Barack Obama in His own words

By Daphne Innes

Barack Obama in his own words.

This was helpful as a quick guide to see where he had stood, using excerpts from prior interviews.

It is the sort of thing you want to take with you when riding the train or bus. Nothing in depth.
