Good enough.

Well the story was nice but kinda lack luster. I liked the writing style though. I'll try more by this author, maybe something longer.

Enticing and unexpected

By Elaine Burke

H. P. Lovecraft wrote a very interesting story that seemed to pull me in. Although it was a bit shorter than expected, it is worth the ninety nine cents. If you are interested in an intellectual writing style and stories with unexpected endings, than I believe you will enjoy Lovecraft's work.
