BY SRI SWAMI VISHWANANDA PDF

JUST LOVE contains everything, the entire universe. It describes a Love that has been addressed before – after all, there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West - yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply. JUST LOVE is expressed by someone who not only knows about the all-pervading, all-sustaining Divine force that forms the creation of the Universe, but who is completely one with it. JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda. It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way. Sri Swami Vishwananda's message is simple: Just Love. Yes, just love. Love is all there is. Love is all you have to do; the rest will take care of itself.
