A perfect rendition of the original to enjoy!

By Deborah Sandford

This Level 3 All Aboard Reading title is perfect for independent readers ages 6 and up. This adaptation stays true to the original story and has the right amount of dialog to keep it moving along. The bright and colorful watercolor pictures hold most of the charm of this book. A fine addition to a school, public or home library!

3 of 3 people found the following review helpful.

Down the rabbit hole again

By J. Chambers

Alice's Adventures in Wonderland (commonly shortened to Alice in Wonderland) is an 1865 novel written by English author Charles Lutwidge Dodgson under the pseudonym Lewis Carroll. It tells the story of a girl named Alice who falls down a rabbit hole into a fantasy world populated by peculiar creatures. The fictional Alice is believed to be based on Alice Pleasance Liddell, the daughter of a friend of the author.

This Penguin edition is a condensed version of the story with new illustrations. The story is pretty faithful to the original, and all of the now famous characters, including the White Rabbit, the Mad Hatter, and the

Cheshire Cat, are here.

It's a great story for kids and grown-ups alike.

Alice and wonderland review

By Alexis Gele'

This is a very interesting book.It is about a little girl named Alice and she saw a rabbit and followed it into this little hole.Then she drank this stuff and shrunk and went into a little door.Then she played croquet with the queen and then they had a case if who stole the tarts.Then she realized that it was all just a dream.
