LIVE LIFE MY WAY BY ED WALSH PDF

I wrote this book as a answer to the many people, like myself, who have grown tired of their lifestyle and are seeking a new one . A change of lifestyles ,one from the 40 hour week doldrums of surviving from paycheck to paycheck to one which offers the meeting of new friends, world wide travel, adventure, and exploring. The new lifestyle I chose was to do these things aboard a sailboat where living costs are low and adventure is high. My book talks about how to survive in this new lifestyle and it's contents can be used as a reference if you decide you need a change too. Not many of us were born with a silver spoon in our mouths and I may not have ever been a millionaire but I have met some who have become friends with my wife and I. My lifestyle change went from a machinest to a carpenter to a full time sailor and its sometimes pitfalls which I describe as "pot-holes in Paradise" "Live Life My Way" is an enjoyable book to read and offers many helpful hints as to a lifestyle change so you too can enjoy freedom from your "time clock life."It all started with a dream. Maybe it will affect you the same way.

ED WALSH'S BOOK LIVE LIFE MY WAY

By MATT MADDUX

I HAVE JUST FINISHED READING MR. WALSH'S BOOK AND I THOROUGHLY ENJOYED READING IT. I WAS FASCINATED BY HIS AND PAT'S ADVENTURES THROUGHOUT THE CARRIBIAN AND UP AND DOWN THE INTER-COASTAL WATERWAYS. THE UPS AND DOWNS, THE JOY AND FEARS OF THEIR YEARS OF TRAVEL, WAS ASTOUNDING. HIS EXPLANATION OF THE PLACES THEY VISITED, THE NEW FRIENDS THEY MADE AND THE OLD FRIENDS THEY RECONNECTED WITH WAS VERY VIVID. THE BIRDS AND ANIMALS THEY BECAME ACQUAINTED WITH WAS VERY ENJOYABLE TO READ ABOUT. THIS IS AN EASY READ BOOK THAT I WOULD RECCOMMEND TO ANYONE THAT ENJOYS READING AS MUCH AS I DO.

So much fun

By Jane Knowles

I am so not a sailor, but followed these experiences with a grin throughout the book. I absolutely could not put it down. What a couple!! I envy their enthusiasm for taking chances and finding joy in life with their dreams and each other. Write another one...So glad to see you at Butch and Maggies!!! Now Pat needs to write her story. I am soo thirsty for more from the Walsh's. Happy trails to you both. I love your RV.

Review "Live Life My Way"

By need help lvl 9

This book is about a man who wanted to live his life outside of the "rat race" and finally did. It covers his adventures sailing, primarily in the Caribbean. It is a good book to read for anybody but especially those with similar dreams about living outside of the "rat race" from one who did.
