Always like Longman Dictionaries

By Ginnie

I use dictionaries a lot because English is my second language. Lots of dictionaries are difficult for me to understand but Longman Dictionaries are truly for people who are learning English as a second language. Definitions are clear and easy to understand, and they usually come with examples of how to use the vocabulary in sentences.

I ordered a used one, and found that it was used for a middle school library! Thus, it was so clean and almost looks new, except for the library labels.
