Fantastic Title in a wonderful series for kids!

By Kira T

We love the books by Rachel Bright. As a preschool teacher the lessons taught in these series are perfect for younger children. This one teaches children that when you stop to think about what you are afraid of you find out it's not really that scary. Perfect. My 5 year old is obsessed with this book and it's helped him get over his fear of the dark. Check out Rachel Brights other titles for amazing lessons for kids by this loveable Love Monster.
