Very erotic, but like my ladies on top in the end

By Amazon Customer

A great story with many hardcore submissive scenes that can keep me up, it just I like my ladies to have it rough but come out on top in the end. I just like submissive to be parts of it, not a conclusion.

Predictable and one-dimensional!!!

By Gilbert C. Gordon

Every "book" is the same! Heroines go out to fight the bad guys, get distracted, get captured, go on to become strippers, prostitutes, sperm covered sluts, and slaves to sexual deviants that seem to populate Mr. Ship's world!

Fortunately all of these deviants live in the same neighborhood, for the most part!

I've come to the conclusion that Mr. Ship, either hates strong women or he's really into BDSM and humiliation!

All of his "books" are predictable and the only difference is the cast of criminals that end up on the pages!

there is much better reading

By RB

super hero porn. Some like this comic book super hero style porn, I found it to get boring, repetitive and often offensive. Super villains raping female super heroes and the female super heroes like it was too much and legitimizes rape.
