

OPERATIONS AND SUPPLY CHAIN MANAGEMENT FROM WILEY

**DOWNLOAD EBOOK : OPERATIONS AND SUPPLY CHAIN MANAGEMENT
FROM WILEY PDF**

The advertisement features a blue and white color scheme. At the top left, a WileyPLUS course card is shown. To its right, the text 'WileyPLUS with Loose-Leaf Print Companion' is displayed in large blue font. Below this, a central image shows the disassembled components of a smartphone, including the screen, back cover, and internal circuitry. Underneath the phone components, the book title 'OPERATIONS AND SUPPLY CHAIN MANAGEMENT' is written in bold, followed by the authors 'RUSSELL & TAYLOR' and 'NINTH EDITION'. A row of five small icons illustrates various aspects of operations and supply chain management: a smartphone, a person working, a factory, a warehouse, and a truck. The Wiley logo is at the bottom right of the central image. On the right side of the advertisement, a blue vertical bar contains the text 'Included with this package:' followed by two bullet points: 'Access to your WileyPLUS Course' and 'Full text content in loose-leaf format'. The Wiley logo is also present at the bottom of this bar.

... digital copy of this for a course and am pretty disappointed with what I received

By LandLocked

I rented the digital copy of this for a course and am pretty disappointed with what I received. The digital copy is clearly missing text since pages will end with a comma and the next page is a whole new section of the book. This may not be an overly common problem, however, the fact that it occurs in the very first chapter does not boost my confidence.

Update:

I had a chance to look at a loose leaf version and it seems the problem is not isolated to the digital copy. If you continue to read, the content is all there but it seems as if pages are out of order. I still stick with 2 stars due to the out of order pages but wanted to update that the content is in fact there and it isn't isolated to the digital copy.

Kindle pisses me off.

By Cynthia McDermott

BE SURE TO EXTEND THE TIME. ONLY ALLOWS YOU TO DO FOUR MONTHS while a typical semester is six. This doesn't come with the textbook problems in the back. You can find a paper copy of this textbook online for 22.99 on EBAY.

" the "binder version" is awkward to flip pages and easy to tear due to the thin pages

By Vincent Graffeo

Rating on physical aspects of text only. This book seems to have been printed to be placed in a traditional hardcover, but simply had holes punched in it and a cover that states, "binder version" as if it's some unique feature. However, even when placed in a "binder," the "binder version" is awkward to flip pages and easy to tear due to the thin pages. It is overall disappointing. I would have much preferred purchasing a hardback version of this book for both class use and future reference, but apparently the binder version is a way publishers can not only reduce production costs, but also eliminate used textbook sales.
