An excellent look at Parkinson's

By Jamie

This was a great guide to get me up to speed on the disease. It's written in understandable terms that didn't overwhelm me. The author is thorough in explaining the disease, the treatments, and how to manage it with lifestyle modifications, alternative remedies, and more. A great book to have if you or someone you love is suffering from it. Highly recommend!

Helped to understand the disease!

By C. Jaunbral

I was looking for more information involving putting in a shunt which our neurologist recommended as the next step in treatment.
