Clear, Concise and Well Documented

By Amazon Customer

Helpful in explaining the historical background and facts regarding Mohammed and his dangerous, boodletting religion as practiced by his followers across the world today. Dr. Brooke clearly explains why radical Islam seeks to destroy Israel and all Judeo-Christian believers. A believer himself, Dr. Brooke assures his readers that the one, true God --- the God of Abraham, Isaac and Jacob is still in charge and has already planned for the destruction of those who come against Israel and His holy city, the city of Peace-- Jerusalem.
