TEAM MOM: A SWEET CONTEMPORARY ROMANCE (FINDING LOVE BOOK 1) BY DELANEY CAMERON PDF

Julie's calm life is thrown a curve ball when her brother arrives the night before his seven-month deployment asking her to take care of his son. As a preschool teacher, she's used to dealing with toddlers, not nine-year-olds. Noting her nephew's interest in baseball, Julie signs him up for little league. She's anything but thrilled to find out that his coach is a celebrity.

Eric returned to St Marys to lick his wounds and start over. But even in his hometown, he's known more for his unfortunate appearance on a reality dating show than for his seven years in the major leagues. All he has to show for that poor decision is an ex-wife and a broken heart.

Julie's obvious disapproval makes her the perfect choice for his team mom. If she doesn't like him, she won't cause any problems. But will that be enough to keep his growing interest in her in check? And as Julie's preconceived notions about sports figures slowly unravel, will she be able to resist the man behind the public persona?

Loved It!!!

By RONALD HAWKINS

I loved this book. Sweet story about 2 people finding love without looking for it. I loved that it was just a straight forward book without conflicts and huge misunderstandings . If you are looking for a sweet clean read that will make you feel good this one will do the trick.

Sweet Romance but has No True "Christian" Content and is Miscategorized

By Amazon Customer

Sweet story exactly as advertised. The writing and editing in this book is far better than in most short novels in its genre. The author writes well but there is no major conflict between the hero and heroine whatsoever and some cliched situations, but it was well written otherwise. However, anyone looking for an inspirational or Christian romance will not find that in this book, so in that regard, this book is miscategorized and I was disappointed. There are multiple occasions in the book where there were clear opportunities to provide examples of grace, forgiveness, and redemption. The only mention of anything remotely to do with Christianity was when it was mentioned that two of the characters went to a church service. No discussion of God between the characters. No cursing is a plus. A lot of physical touching and kisses and some suggestive comments. This is a sweet and clean romance. If that's what you're seeking, you'll probably enjoy this book.

Darling

By Just a regular Jo

Just a lovely story. A heroine you can adore, a hero you can fall for and a love story you can get lost in. Well written. No cheesy catastrophes. Clean and well worth the read.
