Simply conserve the requested book downloaded and install and afterwards you can delight in guide to review each time and also place you desire.

THE PROFESSOR BY NATASHA RYDER PDF

Professor Aaron Knight is a highly educated, compassionate university History teacher. Though few of them appreciate it, he is always ready to go the extra mile to help any of his students that need it. Though he has more than enough money to never have to work again, he still comes in every single day, hoping to be able to teach at least one student something.

Ken Rodriguez just might be that student. He is only in university at all because of a soccer scholarship, and he's failing each and every one of his classes. He's not stupid, far from it. He just has a hard time paying attention, and his time and energy is mostly taken up by soccer.

When Aaron decides to take Ken under his wing, he has to come up with a way of making Ken pay attention. But when something that is just sex turned serious for both of them, what good can come of it? Any relationship between them would be completely forbidden.

This is a billionaire BDSM erotic romance, a full, standalone story with a plot. Enjoy!

Well-written, hot romance!

By ELP

What a great read! Ken is a hot college soccer player in need of extra academic attention, and Aaron is the handsome older professor who gives him a ... ahem ... hand. The thing I love about this story is that both Ken and Aaron are fully fleshed-out characters. They have complex, sometimes conflicting emotions about and reactions to their emerging relationship. Yes, they have a ton of sexual chemistry, but this isn't just a story about sexy guy-on-guy action (though there is plenty of that!). As Aaron guides Ken through new sexual experiences, including entering the world of BDSM, he is aware he must do it carefully and with sensitivity to Ken's emotional state. Ken, for his part, has to somehow balance his classes, his commitment to soccer, and his growing feelings for his professor. I loved the writing itself too. Natasha Ryder has managed to fit so much heartfelt emotion in her prose. Overall, I highly recommend this book to fans of male-male romance.

Very nice

By Asyouwish

This story is something far different than what I'm used to. There is a very nice and well written story along with plenty of hot steamy scenes. I loved the writing style of this author and definitely will be reading more. I only wish that it was a bit longer. The emotions of the main characters had me hooked.

Not terrible, not great

By nrevvy

It's maybe 2.5 , just because it wasn't badly written and there weren't a lot of editing errors. Despite the promise in the blurb, it was PWP, with BDSM.
