This is a charming, alive look at people and relatedness!

By A Customer

Tim McFadden's wonderful and gentle approach is such a sweet way to have kids (of all ages) take a look at how people are all the same, no matter what the color of the skin. He has a non judgemental way of showing us the similarities, and making it a celebration.

Tim's prose is exceptional. This is one of the most charming books I've ever read. And the illustration adds to its charm. Children of all ages will enjoy. Even adults. Suggest you add it to your child's library, or your own. Looking forward to more from this author.
