Love this series!

By SE

I have thoroughly enjoyed each book in this series! Each time I read the next one it becomes my favorite and I adore the main characters and all the supporting characters -- you just have to start at the first of this series because the stories all intertwine (this author is a genius). Eagerly awaiting the next story!

Thrash

By Jazzy

Another great read by Charity Parkerson! I enjoyed reading Kieran and Henley's story! In this book, I loved how the author just jumped right into it. No long drawn out story of the main characters get together. I'm looking forward to reading Shattered!

Henley was such a wreck it was amazing to see him pull himself together

By Paula

A very well written story. Henley was such a wreck it was amazing to see him pull himself together. He really put himself out there with Kieran. Kieran is real supportive and able to take control of Henley and help him not spin out of control. Since it was a novella it didn't get as in depth as I would have liked. However it was still a good read.
