Excellent resource

By Claire\_S

I found this to be a very helpful collection of high quality personal statements, none of which can be found elsewhere. Each statement has an introduction explaining some of the background and what makes this particular statement strong. Also, I appreciated the book's clean and modern layout.

Not worth the money

By Adriana

It is definitely not worth the money :- ( I do not recommend it. The only reason I gave it 2 stars is that you are able to find all these statements in one place and not have to search the internet for samples. Otherwise, there is no real advice or guidance.
