UNDERSTANDING LOVE: MARRIAGE STILL A GREAT IDEA BY MYLES MUNROE PDF

The traditional biblical view of marriage is under wholesale assault in modern society. As never before, time-honored principles such as trust, respect, honor, and commitment are dismissed as irrelevant or as dusty relics of an outmoded era. As a result, much confusion exists today regarding the true nature and characteristics of this highest and most intimate of all human relationships.

In this frank, honest, and insightful book, Dr. Myles Munroe cuts through the fog of ignorance and misinformation to illuminate marriage as God designed it: a pure and holy institution in which a man and a woman enter into a commitment to become "one flesh" as equal partners in a lifelong union of friendship and companionship.

Fantastic book!

By A Customer

I agree with the previous reviewer that it's a great, useful, and one-of-a-kind marriage resource, and when digested properly can have a great positive impact on the marriage.

One thing about the previous review, however - if none of the alleged Dr. Munroe's Word of Faith teachings find its way in the book (as the reviewer said him/herself), then it should be a non-issue for this review. The reviewer stated that he/she subtracted one star just because of Dr. Munroe's personal beliefs happen to differ with those of the reviewer, which doesn't even affect the work at hand. There's no need to use the review space to attack something that one apparently only heard of and never even checked out for oneself. To give the reviewer credit though, he/she were very honest about the book itself.

Great for thinking about Marriage

By zealsurfer

This is a very short book but excellent book about why to get married. It talks about how we shouldn't view marriage as a t-shirt to wear out or try out until its worn out and throw it away. When marriage is viewed correctly it can be the most powerful and fulfilling experience in your life. This is great for guys and gals who may be hesitant about getting married. If both partners have a good attitude and view towards marriage they will be successful!
