BAD

By James C. Dickens

This is not Strega. This is Raven's Aradian tradition that he made up. Don't buy this, ever.

It is a great book, but...

By Rob Morini

This is a great book for information on the Stregheria religion. however, it is almost exactly the same book as Italian Witchcraft, by the same author. I already had Italian Witchcraft, and was surprised to find this book to be the same book under a different name.
