WHAT I KNOW FOR SURE BY OPRAH WINFREY PDF

After film critic Gene Siskel asked her, "What do you know for sure?" Oprah Winfrey began writing the "What I Know For Sure" column in O, The Oprah Magazine. Saying that the question offered her a way to take "stock of her life," Oprah has penned one column a month over the last fourteen years, years in which she retired The Oprah Winfrey Show (the highest-rated program of its kind in history), launched her own television network, became America's only black billionaire, was awarded an honorary degree from Harvard University and the Presidential Medal of Freedom, watched friends and colleagues come and go, lost beloved pets and adopted new ones, and celebrated milestone birthdays. Throughout it all, she's continued to offer her profound and inspiring words of wisdom in her "What I Know For Sure" column in O, The Oprah Magazine. Now, for the first time, these thoughtful gems have been revised, updated, and collected in What I Know For Sure, a beautiful audiobook packed with insight and revelation from Oprah Winfrey. Organized by theme?joy, resilience, connection, gratitude, possibility, awe, clarity, and power?these essays offer a rare and powerful glimpse into the mind of one of the world's most extraordinary women. Candid, moving, exhilarating, uplifting, and dynamic, the words Oprah shares in What I Know For Sure shimmer with the sort of wisdom and truth that listeners will turn to again and again.

Great Book! Great Timing!

By Sue Vit

Great Book. Great Timing.

I just got free from a very long, bad relationship. Packed my stuff and grabbed my dog. Rented a UHaul and headed across the country to start new again. (I am 63yrs). Bought this Audio book to listen to as I drive.

I felt all the old yuck stuff leave, and the new stuff flowing in... There is so much inspiration.

Perfect book for anyone wanting to find joy and a better look at living.

Will listen to it many more times. Sue

Oprah's WHAT I KNOW FOR SURE Gives Practical Ways We Can Live Our Best Life Everyday

By Cyrus Webb

There are many reasons why individuals of all ages and backgrounds are drawn to Oprah Winfrey. She has the ability to reach you with words and topics that few people can do, and it has made her a beloved force in the world for the past 3 decades. In her book WHAT I KNOW FOR SURE she is able to take the messages she has shared over the years through television and her magazine and put them together in a book so that we can read, reflect and savor them.

One of the most powerful things that Oprah talks about in the book is the importance of our time. She says in the book that she doesn't like to waste time, because she doesn't like to waste herself. She like to make every moment count, but she realizes at this point in her life the importance of savoring each moment, allowing what we are doing to sink in and be appreciated. I am still learning that in many ways, but it is a great reminder for us all to make sure that life is not too full that we don't enjoy it.

The other thing that really got me is how she defines herself. Oprah's journey with weight has been something she has discussed publicly and seen be a topic of discussion for others. In the book she says that she no longer allows a number on a scale to determine her value, her worth or who she is. Another great nugget for us: make sure that we don't allow the superficial to be the thing that we define ourselves and others by. We are so much more than a number or a look. We are a whole being that is worthy of love, and the sooner we recognize that the sooner we can live it.

Full of amazing nuggets that you will be able to savor yourself and share with others, WHAT I KNOW FOR SURE is a keeper for anyone who wants to discover the secret to living their best life.

and this is the beautiful strength of this book

By Amazon Customer

I moved from France to the US three years ago, and before that the only thing I knew about Oprah was that she had a talk show with her name.

I know now that she is so much more than that and I was curious to read this book to know more about her.

And then something unexpected happened, I know a little bit more about her indeed, however I know now much more about myself, and this is the beautiful strength of this book.

I highly recommend it and once you are done with it, to share it with somebody you care about and you know is having a difficult time or "lost".

ps: I apologize for my English, still work in progress.
