WHIRLWIND OF PLEASURE (ELEMENTAL PASSIONS BOOK 3) BY JENNIFER T. ALLI PDF

Elemental Passions - Book Three

A guarded heart.

Cursed to have disaster follow her every move, Gwen is well versed in keeping everyone at arm's length. Convinced her curse will one day take a life, Gwen lives a life of false smiles and honeyed lies until Nicholas crashes into her life and smashes her facade to pieces.

A fierce devotion.

Born with a lycan's need for their mate, Nicholas will let nothing keep him from Gwen. The many ordeals he endured to reach her have made his determination legendary and for the one that can heal his black soul there is no price too high to pay.

No force was strong enough to keep them apart.

Though she tries to keep Nicholas away, he worms his way into her heart but forces beyond their control are hard at work trying to keep them apart. As ancient secrets unravel, threatening all she's come to hold dear, Gwen realises there is nothing she won't do to keep the man who leaves her breathless with pleasure.

Interesting female lead, nice world building

By JLW

I don't think I've ever read a story where the female lead was purposely written as an airhead yet you love her for it. Matching her with the most alpha (although his position is actually the beta) werewolf type I've ever read about really was endearing. I loved his backstory and how he developed into the werewolf the female lead knows him to be.

What I really appreciate about this author's work is that she understands how to build a romance with a getting to know you period before the main characters fall into bed with each other.

This story could have been 5 stars for me if there hadn't been the side story with Leah which I found distracting and unnecessary. Also, an epilogue with how the kingdom of Norwich fared and the eventual child would have been nice as well.

Different than the others

By Carrie

This book was different than the previous two. At times it was a little hard to follow but really that just enhanced it by relating it to the storyline more. Also, instead of just dealing with Gwen's story, it connected back to Gareth from Lucien's court. I also loved all of the connections. We got to see how Lucien and Sara were as well as Kieron and Estraya were. I also liked the backstory that we get on the origin of the elemental and such. As Gwen constantly mentions, the threads are coming together. I can't wait for the next one.

instant one sided devotion

By ruby

Really enjoy the devotion of Lycans for their mate. Gwen is attracted to him but makes him earn her love. They combine abilities to overcome barriers to their happiness. Enjoyable read, I have read a review of the last book that indicates it is the best of them all. Will read now.
