Fantastic Book of Knowledge for ANY Service Based Business.

By Derreck Smallwood

When I started my cleaning business I read lots of books that helped lay out how a business should be structured and all the things I should be doing. The hard part was visualizing exactly how to apply that information to my cleaning business. Regardless of what your service based business is this Josh really lays out key components that will change the way you see and operate your business. Josh offers a ton of insight and it doesn't stop there. Tons of Free resources, and tons of excellent guides to show the exact steps to take. I give it a two thumbs up.
